

THE FRANKLIN™ No. 124

Model No. APL124

1300 Shingles required to cover roof.

Set Up - 30"H x 34"W x 19"D.

Weight - 20 LBS.

.89 Cubic Ft. Pk.

This classic farmhouse exemplifies the grace and beauty of the Victorian Era. Its nine spacious rooms, three floors, and two curved staircases complement the interior. A balcony with French doors, full wrap-around porch with detailed railings and gingerbread trim add to its authenticity and charm. Easy tab and slot assembly. All parts are pre-cut plywood. No nails or tools needed. Full 1" = 1' scale.
